

## Environmental Policy

Sea Swift shall conduct its business in a manner that will minimise harm to the environment and the communities in which we operate. Compliance with all environmental laws and regulations is the foundation on which we will build and improve on our environmental performance.

To maintain a responsible approach to managing environmental issues, Sea Swift management shall ensure to:

- Monitor and comply with all environmental laws and relevant industry standards and practices.
- Manage our diverse activities to prevent or minimise pollution and impacts on water, land, flora, fauna, cultural and heritage values.
- Ensure understanding of environmental requirements and implementation of standards among our employees, suppliers and contractors.
- Respond to the environmental concerns of our customers and the communities in which we operate.
- Set and review environmental objectives and targets as part of our business planning activities.
- Monitor and report our environmental progress to our employees and others who are concerned.
- Through the continuous planning cycle, improve our environmental management performance.
