

Quality Policy

Sea Swift Pty Ltd is committed to meeting with, and exceeding the needs and expectations of our clients and customers, by including the principles and objectives of our quality management system within our daily work routines.

The organisation's mission is to deliver a high standard of service to our clients and customers every time and on time.

Our commitment to our quality statements is demonstrated by:

- Complying with legislative obligations, standards and codes of practice applicable to quality and systems management.
- The continual review and improvement to quality management throughout the organisation.
- Ensuring that human and financial resources are available for quality and the Integrated Management System maintenance and support.
- The continual improvement of quality skills and knowledge throughout the Sea Swift work environments.
- Monitoring and evaluating the quality performance of employees and contractors, and maintaining a high standard of work.
