Sea Swift is committed to ensuring continual improvement within all areas of business by including the principles and objectives of our quality management system within our daily work routines.

At Sea Swift, our mission is to deliver a high standard of service to our clients and customers both internal and external - on time, every time.

The commitment to our Quality statement is demonstrated by:

- Complying with legislative obligations, standards, and codes of practice applicable to quality and systems management.
- The continual review and improvement to quality management throughout the organisation.
- Ensuring that human and financial resources are available for quality and the Integrated Management System maintenance and support.
- The continual improvement of quality skills and knowledge throughout the Sea Swift work environments.
- Monitoring and evaluating the quality performance of employees and contractors and maintaining a high standard of work.
