

## Colouring in and Drawing Competition Month of July 2024

The Sea Swift colouring-in and drawing competition is designed to inspire the younger generation to learn about safety and the importance of safety.

Sea Swift hopes that the experience provides the children of Sea Swift employees a chance to explore and develop a deeper understanding of safety and how important it is for everyone at Sea Swift.

There is the option to download and print out a ready-made picture for colouring in (available [here](#)), or for participants to draw their own picture. The drawing can represent what safety means to them- it could be scene from a family members workplace or Mum returning home after a work day or something fun they do with their Dad.

There will be first, second, and third place winners.

All place getters will have their artwork published in Sea Swifts newsletter, website, and social media platforms, and the winning artworks will also be used for National Safe Work Month in October.

The first-place winner will receive a voucher in the amount of \$100. Second place will receive a voucher for \$50, and third place will receive a \$25 voucher.

When you submit your entry, please include the following information:

- Your name, age, and Township of residence
