## **FREIGHT RECEIVAL TIME CHANGES IN CAIRNS**

**5th November 2024**

As part of a review to provide improved management of our customer's freight, and for the efficiency of getting the vessels out on time and to provide a better service to our customers.

**Sea Swift will be streamlining freight deliveries at our Cairns Depot, with new freight receival time changes being implemented from 6<sup>th</sup> January 2025.**

**The Cairns Depot will now close at 12pm on Thursdays and open earlier from 7am on Fridays.**

These new timings will ensure freight is moved more efficiently and effectively for our important customers and suppliers who deliver freight for the ports that we service.
